

Celebrity Summit

Summit - Ship Description

Traveler Readers' Choice Awards in the Top 10 Large Ships category by Condé Nast. From the magnolia garden at the top of the ship to the indoor and outdoor swimming pools, Summit offers guests the amenities of a grand hotel. The ship cruises at 24 knots and touts an impressive guest-to-staff ratio of 2.5 to one, assuring that each one of its passengers will be met with individualized service. As a special feature, the ship has teamed up with Cirque du Soleil to offer a cruise experience like none other. As part of this experience, each evening, guests are invited to enter into a surreal world of pulsating sounds, visual effects, and mystical lights to enjoy specialty drinks and hors d'oeuvres.

The 10,053-foot Aqua spa is equipped with a fitness area with advanced gym equipment, an aerobics area, beauty parlor, and 16 treatment rooms. The ship's Aqua dome and Riviera feature four swimming pools, two air beds, six whirlpools, a bandstand, dance floor, sun shop, and buffet for post-swim snacks. Guests will find a full-size basketball court, compact football field, paddle-tennis tables, and volleyball court on the Sports Deck. The Sunrise Deck also features a golf simulator, jogging track, and the ever-classic shuffleboard game.

The main dining hall features white-glove service and menus designed by master chef Michel Roux. The ship is also home to several bars and lounges--including the Platinum Club, a posh champagne and martini bar; the Trellis Restaurant, where piano music softly serenades; and the Cova Cafe with imported Italian coffee, chocolates, and pastries. The ship's Celebrity Theater runs films throughout every voyage, and is also home to Broadway-style productions.
