

Celebrity Infinity

Infinity - Ship Description

Decorated in wood and marble, etched glass, and polished granite, all of Infinity's decks are lavishly finished. The ship sails at 24 knots and touts an impressive guest-to-staff ratio of 2.5 to one, assuring that each one of its passengers is met with individualized service.

The 10,053-foot Aqua Spa is equipped with a fitness area with advanced gym equipment, an aerobics area, beauty parlor, and 16 treatment rooms. The ship's Aqua dome and Riviera feature four swimming pools, two air beds, six whirlpools, bandstand, dance floor, sun shop, and grill and light cuisine buffet for post-swim snacks. Guests can relax in the delightfully decorated Conservatory, which is located atop Infinity and is home to the magnificent Magnolia Garden. Guests will find a full-size basketball court, compact football field, paddle-tennis tables, and volleyball court on the Sports Deck. The Sunrise Deck also features a golf simulator, jogging track, and the ever-classic shuffleboard game.

The ship is home to several bars and lounges--including the Platinum Club, a posh champagne and martini bar; the Trellis Restaurant where piano music softly serenades; and the Cova cafe with imported Italian coffee, chocolates, and pastries. A stroll down the Entertainment Deck reveals top-notch opportunities for pleasure-seekers with a theater, teen lounge, card room, library, and more.
